General Conditions.

1. Tenders should be superscribed "Tender for Stationery articles, etc.," and should specify the rates at which the tenderers undertake to supply the articles at the Stationery Office, Bangalore. They should be accompanied by a treasury receipt for Rs. 250. The amount will be returned to the tenderer on his executing the required bond, or on his tender being rejected.

2. Samples of articles to be supplied should invariably accompany the tender; they should be distinctly described and marked with the name of the tenderer on labels attached to them. Standard samples of articles may be inspected at the Stationery Office.

3. The successful tenderer will be required to deposit as security 10 per cent of the value of his tender and to sign a contract bond (form of which can be seen at the office) within fifteen days from the date of his being informed of the acceptance of his tender. In case of failure, his deposit of 5 per cent delivered with the tender will be forfeited and his tender considered to be cancelled.

4. The actual quantities required will be intimated to the contractor from time to time and should be delivered at the cost and risk of the contractor at the Stationery Office, Bangalore, punctually on the dates fixed in the orders issued, failing which, the terms of the contract bond will be strictly enforced. Should additional supplies be required during the year, beyond the quantities stated in the notice, contractors must be prepared to furnish such additional quantities at the tendered rates. The contractors will be bound to make good to Government any loss that may arise from their failure to supply the goods in time, thereby putting Government to the necessity of purchasing the articles specified in the contracts in the local market at higher rates than those contracted for.

5. The Superintendent of Stationery reserves to himself the right of rejecting any tender without assigning any reason for so doing.

6. Forms of tender and any further information can be obtained on application to the Stationery Office on any office day between the hours of 11 A.M. and 5 P.M.

7. Tenders will be opened by the Superintendent at his office at 3 P.M. on Monday 26th April 1920, in the presence of such tenderers as may choose to attend.
